Selectmen's Meeting

OCTOBER 2, 1984 - by VIRGINIA ARRAL

BOARD ASKS ORR SCHOOL COMMITTEE TO CONSIDER FINANCIAL IMPACT OF LONGER LEGAL CASE

Although not on the agenda, Selectmen met with Richard A. Gamache of the town Finance Committee to discuss the financial impact on Mattapoisett now that the Old Rochester Regional District School Committee has agreed to appeal the arbitrator's decision on the Stephen Brown case (a terminated ORR teacher) to the Appeals Court.

Gamache noted Brown prevailed before an arbitrator and, at a special session, the school committee decided to pursue the matter. Gamache said he could not speak for the entire Finance Committee but for himself he felt the cost will be a hardship on the town.

Selectmen Chairman John N. DeCosta said, "They (the school committee) are an elected board and they can make their own decisions, but we want them to know the additional costs of attorney's fees and salary will hurt, and we want to know where the additional money will come from."

Selectman James F. Huntoon said, "We would go along with a second opinion rather than run a 'fiscal risk' if they do prevail. It could be a year before any Appeals Court judgement is reached and we just cannot support any additional expense."

Before the board had heard of the ORR School Committee's decision to appeal they had sent a letter to the committee on the

matter. The letter reads, in part:

"At this time, we as a Board wish to advise you that the Town of Mattapoisett can ill afford any further funding on this matter (the Stephen Brown case). The purpose of the letter is to request that your committee consider all the various factors and financial impact this matter may have upon the school's operating budget and the operating budgets of the three towns.

"You will recall when this matter was discussed during our fiscal 85-86 budget meeting, it was agreed by the various committees and Boards of Selectmen of the three towns that no amount would be budgeted for this in the FY 85 budget. Based on previous discussion, it would appear that if this matter were presently resolved, the three towns would have to fund an approximate $50,000 expenditure. Obviously, for the Town of Mattapoisett this would apportion to some $25,000. Needless to say, we have not budgeted for this amount in FY 85.

"Simply stated, we ask that you consider the financial impact your deliberation of this matter would have upon the towns.

"The Board believes strongly that not to speak out, prior to your committee's discussion of this matter, would be a dereliction of our responsibility to the taxpayers of Mattapoisett who ultimately will be asked to pay the bill."

Selectman Huntoon commented, "We said we will pay the original decided figure of $50,000, but no more for further litigation. We want the public to know the line cost of this case and where the funds are coming from."

George Heinz, Chairman of the Board of Appeals, that June M. Pina has been selected as recording secretary to the Appeals Board. She would replace Lois K. Ennis, Town Clerk, who has been serving in that capacity; she would remain in an advisory capacity.

Selectmen asked Executive Secretary Carol Adams to request of Heinz that he make out a formal recommendation for Ms. Pina and describe her duties and then submit her name for the Selectmen's appointment.

RECEIVED A LETTER of resignation from R. Scott Armbruster as Building Inspector. It will become effective as soon as the board has found a replacement.

"Scotty" gave as his reason the time now taken from his business and personal life by the extent of his duties. He has been Building Inspector for 12 years, said Chairman DeCosta, and will be greatly missed.

The board agreed to place advertisements seeking a replacement for "Scotty".

In seeking a response from the Board for someone to participate, Selectman Frank Suzan was uncertain whether to ride or not, but Huntoon offered to participate in the Bike-A-Thon. Huntoon said "if I can run I guess I can ride a bike". A remark coming from the "sidelines" asked how about having Huntoon and Suzan ride on a bicycle built for two --- no response.

RECEIVED the completed feasibility study from Southeastern Regional Planning and Economic Development District on shared engineering services.

DeCosta noted communites in Bristol and Plymouth Counties no longer have a state engineer for road work. The Board asked SRPEDD to look into the possibility of having an engineer to share with other com-

Sippican Harbor Dive

A Sippican Harbor Dive by students from Tabor Academy, under the leadership of Duane Minton, will take place at Silvershell Beach on Wednesday, October 17th, at 3:00 p.m. The dive is sponsored by the League of Women Voters of the Marion-Mattapoisett area to further celebrate our resources in this week of the coast. Come one, come all, rain or shine, to observe as the goodies - more probably the baddies - are brought up. The students are eager to tell all about their equipment and the adventures of coping underwater. It promises to be a unique and fascinating adventure which only the severest storm conditions could cancel.

LITERATURE GROUP

The fall season of the Literature Group begins on Wednesday, October 17th, at 9:30 a.m. at the home of Zeta Caine.

New members are welcome. Anyone who would like to join the group is asked to call Zeta at 997-1306.

QUILTING GROUP

Five new members attended the September 18th meeting of the quilting group. We now have a total of eleven. This meeting was devoted mainly to an exchange of information about materials, shops, books, and other quilting organizations. Plans for our group project are going forward; the pattern for the quilt we do in common is "Grandmother's Flower Garden". This is the quilt we will use for a fund-raiser.

Please help us fill up our scrap bag. We need first of all pieces of cotton or material that is at least 50% cotton, but we will accept anything, except woolens; they just don't fit in with our projects right now.

Remember that we meet every other Tuesday at 9:30 a.m. until 12:00 noon. In October this means the 16th and 30th. Please call Mary Callen (758-6024) if you are a newcomer who plans to attend for the first time.

BRIDGE I AND II

The report is that the Bridge Year in both I and II is off to a wonderful start. Remember to call Annabelle Meyer (763-8697) if you are a member of Bridge I and need a substitute; and Julie Velte (758-2189) if you are a member of Bridge II and need a substitute.

by the Fieldcrest Farm Equestrian Team of Falmouth on the Old Hammondtown field. The eight young ladies and their beautiful horses were accompanied and aided by Mr. Michael Ward, principal of Marion's Sippican School, whose daughter, Lisa, is a member of the team.

During the first part of the program the children learned about the parts of the horse, how to brush, saddle, mount and dismount and about the different gaits. The second part of the show was an exhibition of precision team riding and jumping, all done to the music of Michael Jackson and the Pointer Sisters. The skill of the girls was impressive.

On behalf of the elementary school children of Mattapoisett, their teachers and parents, we would like to thank Mr. Michael Ward, principal of Sippican School, and Mr. Bill Reed, principal of Old Hammondtown School, for arranging this educational and entertaining program. We would also like to thank Mrs. Kozicki, principal of Center School, who, according to Mr. Reed, provided the beautiful weather.

Kevin Sweet of Mattapoisett has broken the school Cross Country Record with a time of 12:23. The record had not been broken in many years and his dedication and hard work has paid off for him. To the reader who is unfamiliar with Cross Country running, we must state the course is 2½ miles long, running on the grass, up and down hills, and turning numerous corners. Kevin is also an ORR Basketball player and a member of the Track team. The boys' Cross Country team

fifth runners are injured and are unable to compete. Hopefully we will overcome these injuries shortly and finish the season strongly. This year's members are: Carrie Kunz, 1; Melissa Munroe, 2; Krissy Schatzel, 3; Marcia Reed, captain, 4; Liz Braga, 5; Julie Holden, 6; Becky Crook, 7; Laurel Tate, 8; Ellen Scholter, 9; Sally Craver, 10; Janet Plaud, 11; Amy Burlinson, 12; Cindy Duarte, 13; Amy Reardon, 14; Ellie Botelho, 15.

Field Hockey is returning as last year's Division Champs.

Although many Seniors graduated last year, the team is off to a 4-2-2 record. Co-captains Lisa Macomber and Michelle Losert of Marion and Mattapoisett respectively really make the team work and hold it together.

On offense the team has already scored more goals than last year, and are headed by Colleen Hughes, Chris Wordell and Jane Ferreira.

At midfield, having to push on offense and defense both, are Lisa Macomber and Sarafina Nicolosi.

Football is off and winning at all three levels. The team is winning in numbers of students now playing (78), not including managers and statisticians, in the caliber of play happening, and on the scoreboard.

The team, at all three levels, Varsity, J.V. and Freshmen, has already won games and performing at levels beyond previous years. That success has started at the coaching level and continued down through all the players.

At the varsity level many interesting

stats are available. Four players have scored for ORR, namely Mike Burnett, Kevin Rezendes, Tom Guard and Elvin Coehlo. Leading rushers are Sean McCabe, 115 yards; Guard, 111 yards; Burnett, 93 yards; and Rick Thompson, 54 yards. The leading receivers are Kevin Rezendes, 100 yards; and Scott Smith, 67 yards. The defense has been anchored by Shannon Feaster, Cameron Pease, Brian Keene, and Chris Rezendes.

On the soccer turf, Jeff Durr has scored 11 goals in 6 games to lead the S.M.C. Division II league. Jeff has also picked up 3 assists.

The team has won its last 3 games and is in third place in the division. Within those 3 games the team has outscored its opponents 20 goals to 2.

R.K. Hiller and Allan Maissan are also leading the team in scoring, while Tom Jackivicz has been outstanding in goal with a shut-out to his record.

Volleyball has been netting success with young teams and fine efforts. The coaching staff has been very pleased with the performance of the teams in competition and their desire to give their most to the game.

At the varsity level, Alyssa Sylvia, Kristie Ainslie and Caitlin Hamer have done a super job at all positions. The net play of Nicole Lyonnais, Polly Field, Meri Mattson, and Jane Coucci have helped. In the back court, Michelle Kirby, Ann Hubbard and Christina Hoyt have been strong. Kris Lacroix has emerged as a strong player, especially after the Westport and Case games.

The J.V. and Freshmen levels have seen tremendous improvements in skills development. These teams have been winning and have played with contagious enthusiasm.

Leading the J.V. team have been Kim Ryan, Dawn Cote, and Zora Clarke. The Freshmen have seen strong performances from Monique Vigeant and Melissa Lamson.

Any fans having questions regarding the season or upcoming games may call the ORR Athletic Office for information (758-3745, extension 29).

I have seen at all of our sporting events.

It is extremely rewarding to the students to see so many parents, friends and classmates at their games.

As I have attended many of these events, the fans have been at games involving J.V. and Freshmen level teams, and have been very supportive at these developmental levels.

You are a very important part of the development of our young people in our communities. That effort and caring are what make students better people. Never stop investing in them.

Wareham Area Hospice

Mrs. Samuel D. Hathaway, a resident of West Wareham, whose husband died last May, says: "During my husband's last illness our Hospice volunteer and the whole Hospice team gave us constant support and encouragement, keeping up my husband's spirits and keeping me from feeling 'trapped' by the situation in which we found ourselves."

Hospice is a concept of care given to terminally ill patients by professionals and trained volunteers. It enables the ill person to remain at home with his or her loved ones. Pain is carefully controlled by means of medication prescribed by the physician and great emphasis is placed on living each day to the fullest of one's capacities. The Hospice "team" includes a doctor, a registered nurse, a social worker, a representative of

the clergy, and a Hospice-trained volunteer who can assist the members of the family as well as the patient, both during life and after death in making necessary adjustments and coping with grief of bereavement.

The Wareham Area Hospice Association serves people in the seven towns of Buzzards Bay, Carver, Marion, Mattapoisett, Rochester, Sagamore, and Wareham. It was incorporated in 1982 by a small group of dedicated people led by Dr. Elizabeth Gleason of Wareham, and Mrs. Rachel Penti of Carver, former Director of Nursing Services at Tobey Hospital. Dr. Gleason is the medical director of the Hospice interdisciplinary team which meets every other week to discuss plans for individual patient care. Patricia Tuttle, B.S.W. of Wareham has been Director of the agency since its inception. Geraldine Hebb, R.N. B.S.N. of Halifax, is the Hospice Team Co-ordinator who oversees the clinical aspects of Hospice and works closely with Visiting Nurses and others from community agencies. She also gives direct nursing care, and Hospice now has an arrangement with Tobey Hospital that makes it possible to offer twenty-four hour on-call service to patients. The current representative of the clergy is the Reverend Sanford Fasth, pastor of the

First Congregational Church of Wareham, and Melissa Vogel-Spaulding, M.S.W., of the Wareham Area Counselling Service, is the social worker.

Tobey Hospital has been most supportive, with both medical and nursing staffs working cooperatively with members of the inter-disciplinary team. The Hospice office is located in the Tobey Homestead building and can be contacted from 9:00 a.m. to 1:00 p.m. weekdays through the hospital switchboard at 295-0880.

The present Board of Directors which now numbers fifteen include the following: from Buzzards Bay, Allison R. Cook, Budget and Finance; and Alan Whipple, Accountant; from Carver, Rachel Penti, President; from Marion, Jill Cockrell, Secretary; Nancy McFadden, Vice President and Personnel; and C. Clark Streeter, M.D.; from Mattapoisett, the Reverend Raymond Patch; and from Wareham, Denise Ankudowich, Fundraising; Ramona Barros, Jean Chaston, Catherine Hathaway, Corresponding Secretary; Edward Kiernan, Attorney; Phyllis Luce, Treasurer; Lisa Martin, Special Events; and Allen Offringa. Mrs. Luce is the former Comptroller at Tobey Hospital. She has recently replaced Ramona Barros, who had been the loyal and efficient treasurer of Hospice since its beginning.

A major goal of Hospice in 1984-85 is to meet the guidelines recently set up for Hospice by Medicare in order to receive partial reimbursement for services to patients.

The annual fall membership drive is underway at this time. Membership offers the satisfaction of becoming a friend and backer of this valued service. In addition four educational and informational programs are offered to members and the general public each year.

The heart of the Hospice program are the volunteers. Two training programs have been held but the need for more volunteers is great as the patient load has increased from five to eight or more a month, and a new training session will begin soon.

Eleanor Brown of Marion has this to say about her experience as a Hospice volunteer:

"The careful matching of volunteer and patient is important. The team approach makes available options, support, and expertise when and where you need it. As a volunteer you become a friend to the patient's family, doing errands and meeting needs as they occur. Sometimes I sit with a patient talking or just listening, giving a family member a little much-needed time off. Sometimes I can improve communication between family members. From my point of view, although the time commitment can be great, it is also quite flexible."

Another volunteer from Marion, Albert Bigelow, comments:

"A terminal illness is a devastating and emotional catastrophe for all concerned. The Hospice team approach gives the volunteer invaluable technical backing and confidence to carry out the essential loving support for the patient and his or her family. To be a Hospice volunteer is to have the privilege of helping people in their hour of need."

SHAKESPEARE'S MIDSUMMER NIGHT'S DREAM

On Sunday, October 14th, at 7:30 p.m. the first performance of the Merrill Lynch International Series, Shakespeare's comic fantasy, A Midsummer Night's Dream, will be presented at New Bedford's Zeiterion Theatre. Performed by the renowned Shakespeare and Company of Lenox, Massachusetts, this production is the first event to be sponsored by a local business during the 1984-85 season.

The Zeiterion is particularly proud to be working with Merrill Lynch in the presentation of A Midsummer Nights' Dream. In describing Merrill Lynch's cultural involvement, Robert A. Fabricant, Resident Vice President and Manager of Merrill Lynch's New Bedford office, emphasized the firm's desire to "stay close to home" by supporting quality arts activities in the communities where its people live and work.

A Midsummer Night's Dream, Shakespeare's woodland tale of mixed-up lovers, bumbling rustics and magic, features Kevin Coleman as Oberon, Natsuko Ohama as Titania, Tony Simotes as Puck and John Talbot as Bottom. The production is directed by Tina Packer, Shakespeare and Company's Artistic Director. Ms. Packer, a former Associate Artist with the Royal Shakespeare Company, founded this company in 1978. She has directed all of their major productions to date.

Shakespeare and Company has delighted audiences and critics alike with performances that recreate the spirit of Shakespeare's

The New York Times says that Shakespeare and Company has "the kind of rowdy comedy and direct appeal that the Globe's productions were said to have in Shakespeare's day."

In addition to the performance on Sunday evening, the Company will present a workshop at the Zeiterion on Monday morning, October 15th, at 10:00 a.m. Entitled Actors Tour of Shakespeare, this lecture/demonstration is an overview of Shakespeare and his times. Recommended for grades 6 through 12 the lecture covers the physical and fight training modern actors go through in learning the appropriate style.

If you leave a light on in your house when you go out, do not always leave the same light on. Better yet, put several lights on timers so that one light goes off and another comes on, giving the appearance that someone is home.

"QUILTART '84: New Traditions", a national invitational exhibit of new work by 15 quilt artists, will be shown in the Gallery of the Group VI Building at Southeastern Massachusetts University from October 9 to October 31. The exhibit will present a wide range of approaches to quilt surface design, from modular geometric compositions to hand-painted imagery to semi-sculptural constructions.

Guest Curator Michael James, SMU alumnus and full-time quilt artist, has selected the following artists to participate in QUILTART '84: Terri Mangat (Ohio), Gayle Fraas and Duncan Slade (Maine), Nancy Crow (Ohio), Jan Myers (Minnesota), Elizabeth Gurrier (New Hampshire), Wenda F. Von Wesie (Ohio), Linda MacDonald (California), Peggy Spaeth (Ohio), Nancy Herman (Pennsylvania), Yvonne Porcella (California), Libby Lehman (Texas), Pamela Johnson (Missouri), and Neisja Yenawine (Massachusetts).

In selecting artists for the exhibition, James expressed a desire to "offer the viewer a broad range of current approaches to the traditional medium of the quilt. We'd like to touch on where quilts have come from as much as where they're heading, and though nothing in this show can be called 'traditional', all of it has its roots in the traditions." James points out that all of the exhibitors work professionally as

quilt artists and come to the SMU Gallery with substantial exhibition records. Examples of his work will also be included in QUILTART '84.

Margot Neugebauer, professor of design and exhibition coordinator, emphasizes the significance of a major quilt exhibition relative to SMU and its history. "SMU has its roots in the textile technology that flowered in southeastern New England early in this century and still maintains a leading role in producing textile designers and technicians. An exhibit such as this offers both the University and the community the opportunity to assess the state of quilt-making today and to experience the ongoing development of the textile arts."

"We hope," James added, "to convey some sense of the excitement being generated in the fine-crafts world today by the innovations of these and other quilt artists."

A reception in the Gallery for the artists will take place on October 14th from 3 to 5 p.m. Regular gallery hours are noon to 4 p.m. Monday through Friday. For further information contact Margot Neugebauer, QUILTART '84, SMU Gallery, Southeastern Massachusetts University, North Dartmouth Mass. 02747, or call 999-8564.

as' controversial and extraordinary lyrical and contemporary theatrical work, "Under Milkwood", on Monday evenings, October 15 - December 2 from 7:30 to 10:30 p.m. This adult workshop will culminate in the performance of Dylan Thomas' work on November 30th and December 1st, 2nd at 8:30 p.m. at the Priscilla Beach Theatre's Studio Theatre in Plymouth. Individuals who wish to register for this adult theatre workshop may call the theatre at 224-4888.

This seven-week workshop, led by New York Veteran Geronimo Sands, will study principles and techniques of acting focusing on such elements as speech, movement, characterization and concentration. Each member will develop these skills through their application to a specific role assigned to them by Director Sands. Sands, who has acted and directed in professional theatres across the country, states, "Under Milkwood will allow the student of acting to meet some of the theatre's most earthy and human characters that have ever been created for the live stage. Characterization and the actors' ability to relate to the other characters through ensemble playing will be a focal point for our work and development in the workshop." Mr. Sands feels that the workshop is a perfect vehicle for adults from all walks of life to take advantage of this opportunity to develop their communication skills for their specific field of work.

Individuals who wish further information concerning Priscilla Beach Theatre's Adult Theatre Educational Program may call 224-4888 or write PBT, P.O. Box 424, Whitehorse Beach, Mass.02381. THEATRE ONE'S NEXT PRODUCTION
NEIL SIMON COMEDY OPENS OCTOBER 18th

Herb, a Hollywood scriptwriter, is having a dry run and his confidence is shaken. He does have some consolation in his off-and-on sleep-in relationship with Steffy, his woman friend. Then suddenly he's confronted with his past, in the person of Libby, his teenage daughter from Brooklyn, where Herb had simply up and left sixteen years earlier.

How they pick up the pieces of a father-daughter relationship is a poignant, tender and nevertheless very funny story. And they also discover a great deal about each other and about themselves.

Neil Simon's "I OUGHT TO BE IN PICTURES" will be opening October 18th and will continue October 19th, 20th, 26-27 and November 2-3 at 8 p.m. at Theatre One Productions located at the Nemasket Grange Hall, Route 105, North Main Street, in Middleboro. Thursday night is Discount Nite; group rates are also available. For more information call 947-

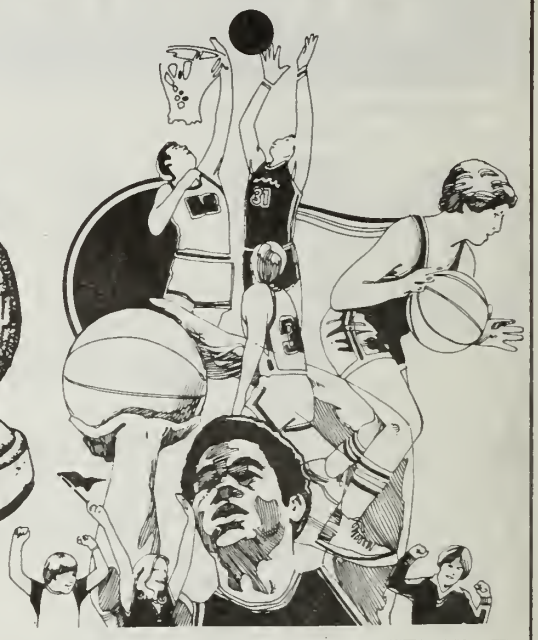
There isn't a move that can beat this shoe.



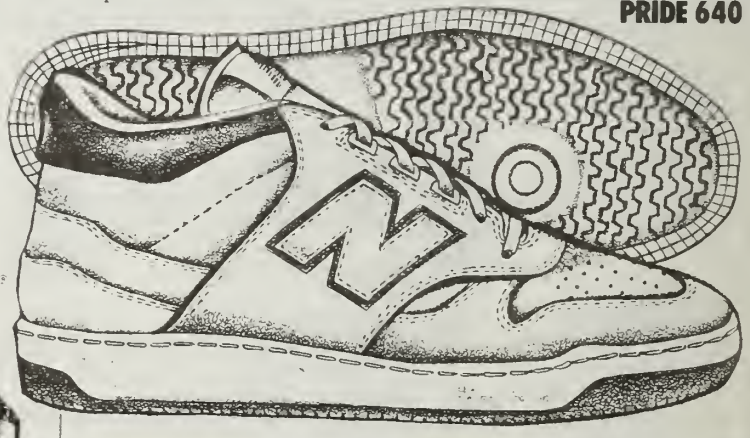
The New Balance Pride 680 can handle any move you make. Because it has a Flextended Saddle™ and a sturdy heel counter to keep your feet stable. And a Lock-Tred sole for traction. Why do we do all this? Because we know that you can't play winning basketball if you keep losing your feet.

new balance®
PRIDE 680

The basketball shoe with street smarts.

The New Balance 640 offers ballplayers the freedom of a mid-boot shoe. But it also offers the support of a high-top. Because it has a Flextended Saddle™ and a durable, all-leather upper. It also has a perforated toe-box for breathability and speed-lacing for more comfortable instep fit. All great stuff. But you'll probably buy it 'cause it looks so sharp.

new balance®
PRIDE 640



When you run, your feet should stay put.

If you have a problem with instability, the New Balance 670 may be the solution. It has a unique polyurethane Stability Device that reduces rearfoot motion, a stabilizer pad that helps disperse shock and raised collar quarters for a more secure feel. The 670 also has a durable carbon rubber heel pad, so you can run a long, long, way. Without your feet moving an inch.
